What Christmas Means To Me

Candles burning low, lots of mistletoe
Lots of snow and ice, everywhere we go
Choir singing carols, right outside my door
All these things and more (all these things and more)
That's what Christmas means to me my love

Christmas means to me my love
Christmas means to me my love 000-000-000-000-000-000-000-000
Christmas means to me my love
Christmas means to meeeee my love

I see your smiling face, like I've never seen before
Though I love you madly, it seems I love you more
The little cards you give me, will touch my heart for sure
All these things and more (all these things and more)
That's what Christmas means to me my love

Christmas means to me my love
Christmas means to me my love 000-000-000-000-000-000-000-000
Christmas means to me my love
Christmas means to meeeee my love

I feel like running wild, Lords angles a little child (hey, hey, hey)
I caught you 'neath the mistletoe, I kiss you twice and then some more
I wish you a merry Christmas baby (I wish you a Merry Christmas Baby)
And a Happy, Happy New Year, Ooooooo

Lets deck the halls with holly Singing, 'Silent Night'
Fill the tree with angel's hair pretty, pretty lights
Go to sleep and wake up, Just before daylight
All these things and more (all these things and more)
That's what Christmas means to me my love, Christmas means to me my love

Christmas means to me my love 000-000-000-000-000-000-000-000
Christmas means to me my love
Christmas means to meeeee

Christmas means to me my love 000-000-000-000-000-000-000-000

Last Christmas

Last Christmas I gave you my heart, but the very next day you gave it away
This year to save me from tears, I'll give it to someone special
Last Christmas I gave you my heart, but the very next day you gave it away
This year to save me from tears, I'll give it to someone special

Once bitten and twice shy, I keep my distance but you still catch my eye
Tell me baby do you recognize me? Well it's been a year it doesn't surprise me
(Happy Christmas) I wrapped it up and sent it with a note saying "I love you" I meant it
Now I know what a fool I've been, but if you kissed me now I know you'd fool me again

Last Christmas I gave you my heart, but the very next day you gave it away
This year to save me from tears, I'll give it to someone special
Last Christmas I gave you my heart, but the very next day you gave it away
This year to save me from tears, I'll give it to someone special

A crowded room friends with tired eyes, I'm hiding from you and your soul of ice
My god I thought you were someone to rely on, me? I guess I was a shoulder to cry on
A face on a lover with a fire in his heart a man under cover but you tore me apart
Oooo ooo now I've found a real love you'll never fool me again

Last Christmas I gave you my heart, but the very next day you gave it away
This year to save me from tears, I'll give it to someone special
Last Christmas I gave you my heart, but the very next day you gave it away
This year to save me from tears, I'll give it to someone special

A face on a lover with a fire in his heart, a man under cover but you tore him apart
Maybe next year I'll give it to someone I'll give it to someone special

Last Christmas I gave you my heart, but the very next day you gave it away
This year to save me from tears, I'll give it to someone special

All I Want for Christmas is You

I don't want a lot for Christmas there is just one thing I need
I don't care about the presents underneath the Christmas tree

I just want you for my own
More than you could ever know
Make my wish come true oooooo
All I want for Christmas is you

I don't want a lot for Christmas there is just one thing I need
And I don't care about the presents underneath the Christmas tree
And I don't need to hang my stocking high above the fireplace
Santa Clause won't make me happy with a toy on Christmas day

I just want you for my own
More than you could ever know
Make my wish come true
All I want for Christmas is you oooo you baby

I won't ask for much this Christmas I won't even wish for snow
I'm just gonna keep on waiting underneath the mistletoe
I won't make a list and send it to the North Pole for Saint Nick
I won't even stay awake to hear those magic reindeers click

'Cause I just want you here tonight
Holding on to me so tight
What more can I do
Baby all I want for Christmas is you oooo Ooh baby

All the lights are shining so brightly everywhere
And the sound of children's laughter fills the air
And everyone is singing, I hear those sleigh bells ringing
Santa won't you bring me the one I really need
Won't you please bring my baby to me.

Oh I don't want a lot for Christmas, this is all I'm asking for
I just want to see my baby, standing right outside my door

Oh I just want you for my own
More than you could ever know
Make my wish come true
Baby all I want for Christmas is you!

This Christmas

Hang all the Mistletoe,
I'm gonna get to know you better.
This Christmas...
And as we trim the tree,
How much fun It's gonna be together
This Christmas...

Fireside is blazing bright,
We're Caroling through the night
And this Christmas will be
A very special Christmas
For me

Presents and cards are here,
My world is filled with cheer and you
This Christmas...
And as I look around,
Your eyes outshine the town, they do
This Christmas...

Fireside is blazing bright,
We're Caroling through the night
And this Christmas will be
A very special Christmas
For me

Fireside is blazing bright,
We're Caroling through the night
And this Christmas will be
A very special Christmas
For me

Please Come Home for Christmas

Bells will be ringing the glad, glad news
Oh what a Christmas to have the blues
My baby's gone I have no friends
To wish me greetings once again

Crowds will be singing "Silent Night"
Christmas carols by candlelight
Please come home for Christmas,
Please come home for Christmas
If not for Christmas,
By New Year's night

Friends and relations
Send salutations
Sure as the stars shine above
But this is Christmas,
Yes, Christmas my dear
The time of year to be with the one you love

O Darlin, if you leave me Ill never make it alone
Believe me when I tell you, I'll never make it alone

There'll be no more sorrow,
No grief and pain,
And I'll be happy,
Happy once again,
Happy Christmas once again
Happy Christmas one again

Christmas Crush

Do you recognize a familiar voice? Have you heard it before?
Or do you drop dead baby don't believe in what you see.
Oh the Galleria's open, then to the department store, for leather heels and diamond rings
I just want a little bit of your holiday attention please
Do you want those 3in hoops? Yeah I know you do. Feels like Christmas to me.
So it's whatever you're wanting, Amazon or Tiffany's cause the snow is falling down again
And it's a bad time of year to be alone without the one you need
But will it ever be enough?

For my Christmas Crush, talk so tough
You'll never get a present if you're never good enough
I got dreams of sugar plums, milk and cookies and chimney dust
Some believe and some don't budge, oh that's just the difference of
On my knees the morning of up all night wishing for a little bit of touch from my Christmas Crush.

I know it's been a minute, but I can't wait to get you
Out of my dreams and down to the dealership so I can get a car and get you in it
Maybe it could be a Honda or a GTO, or even a Subaru built for two
So it can get us to and fro across the snow and even go to where we wanna
Want to meet me there? Babe I couldn't care. It feels like Christmas to me
I might pass you on the shoulder, if I got the right of way,
But if we have a chance to merge we should
Fall together baby and make it home for the holiday
Oh now will it ever be enough?

For my Christmas Crush, talk so tough
You'll never get a present if you're never good enough
I got dreams of sugar plums, milk and cookies and chimney dust
Some believe and some don't budge, oh that's just the difference of
On my knees the morning of up all night wishing for a little bit of touch from my Christmas Crush.

Seasons come and seasons go
I'm twice as sentimental as anyone I know
I get down cause I'm alone
Still making wishes on that wishing bone
But here she comes in a Goretex coat
In her hand a piece of mistletoe
I won't lie December's rough
Do anything I can to see a little bit of blush on my Christmas Crush

Santa Claus is Coming to Town

You better watch out you better not cry
You better not pout I'm telling you why
Santa Claus is coming to town
Santa Claus is coming to town
Santa Claus is coming to town

He's making a list and checking it twice
He's gonna find out who's naughty or nice
Santa Claus is coming to town
Santa Claus is coming to town
Santa Claus is coming to town

He sees you when you're sleeping
He knows when you're awake
He knows if you've been bad or good
You better be good for goodness sake (better be good for goodness sake)

You better watch out you better not cry
You better not pout I'm telling you why
Santa Claus is coming to town
Santa Claus is coming to town
Santa Claus is coming to town

He sees you when you're sleeping
He knows when you're awake
He knows if you've been bad or good
You better be good for goodness sake (better be good for goodness sake)

You better watch out you better not cry
You better not pout I'm telling you why
Santa Claus is coming to town (harmonies)
Santa Claus is coming to town (harmonies)
Santa Claus is coming to town

Christmas Rain

I never meant to cause you any sorrow
I never meant to cause you any pain
I only wanted to one time to see you laughing
I only wanted to see you laughing in the purple rain

Christmas rain, Christmas rain
Christmas rain, Christmas rain
Christmas rain, Christmas rain
I only wanted to see you bathing in the Christmas rain

I never wanted to be your weekend lover
I only wanted to be some kind of friend
Baby, I could never steal you from another
It's such a shame our friendship had to end

Christmas rain, Christmas rain
Christmas rain, Christmas rain
Christmas rain, Christmas rain
I only wanted to see you bathing in the Christmas rain

Honey, I know, I know, I know times are changing
It's time we all reach out
For something new, that means you too
You say you want a leader
But you can't seem to make up your mind
I think you better close it
And let me guide you to the purple rain

Christmas rain, Christmas rain
Christmas rain, Christmas rain
Christmas rain, Christmas rain
I only wanted to see you bathing in the Christmas rain

Oooooooooo

Auld Lang Syne

Should old acquaintance be forgot
And never brought to mind
Should all acquaintance be forgot
And auld lang syne

For auld lang syne, my dear,
For auld lang syne,
We'll take a cup o' kindness yet,
For auld lang syne

And surely you will buy your cup
And surely I'll buy mine
And we'll take a cup o' kindness yet
For auld lang syne

We too have run around the slopes
And picked the daisies fine
We've lounded many weary foot
Since auld lang syne

For auld lang syne, my dear,
For auld lang syne,
We'll take a cup o' kindness yet,
For auld lang syne

We too have paddled in the stream
From morning sun to night
But the seas between us broad have roared
From auld lang syne

For auld lang syne, my dear,
For auld lang syne,
We'll take a cup o' kindness yet,
For auld lang syne
We'll take a cup o' kindness yet
For auld lang syne
